SUSTAINING THE ENVIRONMENT

JWU has revitalized close to 100 acres of waterfront alongside the Harborside Campus through significant brownfields remediation efforts. Improvements include shoreline reconstruction, an Urban Coastal Greenway, athletic fields, and the donation of a six-acre waterfront parcel for an environmentally "smart design" educational and research center dedicated to the protection of Narragansett Bay and marine life.

The Cuisinart Center for Culinary Excellence, Grace Welcome Center and Center for Physician Assistant Studies have been awarded LEED® Gold certification by the U.S. Green Building Council (USGBC) for energy and material use and for incorporating a variety of other sustainable strategies.

TUITION AND FINANCIAL AID (2015–2016)

Undergraduate Tuition: \$29,226

Graduate, Doctoral, Continuing Education and Online Tuition: Visit jwu.edu/admissions/paying-for-college for updated tuition and financial aid information.

- JWU is committed to making a quality education as accessible and affordable as possible, increasing institutional aid every year for the past five years. More than 92 percent of Providence Campus students receive institutional scholarships and/or grants from the university, often times making JWU tuition significantly less than many other universities.
- Pell grants were awarded to 35 percent of the undergraduate students enrolled at the Providence Campus.

EXPERIENTIAL EDUCATION

JWU's educational approach is designed to help students identify a field of interest and acquire the knowledge, skills and experience to excel in that field. Our unique education model integrates academics and professional skills, related work experiences, community and leadership opportunities and career services. Students develop academic schedules and work experience plans relevant to their career goals, starting in their first term.

Our experiential education model includes career management workshops, a suite of career services, a customized online career management website, work experience tied to a field of study and on-campus recruitment opportunities.

JWU maintains relationships with hundreds of the world's industry-leading companies and offers a variety of work experience programs. In 2014–2015, 2,391 Providence campus students gained industry experience related to their major.

In 2014–2015, 678 companies participated in the on-campus career conference, allowing students to connect with leading companies in their field.

In 2014–2015, 1,246 on-campus interviews were conducted.

The National Society for Experiential Education conferred its highest honor upon JWU: the 2014 William M. Burke Presidential Award for Excellence in Experiential Education.

GLOBAL REACH

The Providence Campus has 9,454 students from 70 countries and 52 states and territories.

The top five international student populations represent People's Republic of China, Saudi Arabia, South Korea, India and Taiwan ROC.

JWU students have the opportunity to participate in one of 44 study abroad and exchange programs in 18 countries.

STRATEGIC PLAN

JWU has a history of strategic planning. Through its current five-year plan (**2017: The Centennial Plan**), JWU will make an unprecedented investment in its future, strengthening its status as a recognized education leader. Through this plan, JWU is investing in

- faculty
- student engagement
- student potential
- the university's foundation
